Post Primary Schools

Mayo, Sligo and Leitrim Education and Training Board manage and operate seventeen second-level schools across the three counties. Second level education aims to provide a holistic, quality learning environment which prepares individual students for higher/ further education or immediate entry into the workplace.

Second level education consists of a three-year Junior Cycle followed by a two or three-year Senior Cycle depending on whether the optional Transition Year is taken. Students usually begin the Junior Cycle at age 12. A state examination (the Junior Certificate) is taken after 3 years. The main objective of the Junior Cycle is for students to complete a broad and balanced curriculum, and to develop the knowledge and skills that will enable them to proceed to Senior Cycle education.

The Senior Cycle caters for students in the 15-18 year age group. Immediately following the junior cycle, students have the option of undertaking Transition Year. Transition Year provides an opportunity for students to experience a wide range of educational inputs, including work experience, over the course of a year that is free from formal examinations. During the final 2 years of the senior cycle, students take one of three programmes, each leading to a state examination – the traditional Leaving Certificate, the Leaving Certificate Vocational Programme (LCVP), or the Leaving Certificate Applied Programme (LCAP).

The Vocational Training Opportunities Scheme (VTOS) is a European Social Fund supported intervention in the Irish labour market to enable, as a priority group, unemployed people who have been on the Live Register for at least six months or a person in receipt of statutory redundancy but not in receipt of a qualifying payment for the required period to access education and training with a view to progression to employment.

Ten percent of places may be allocated under certain conditions to a wider category of unwaged people including lone parents and people in receipt of Disabled Persons' Maintenance Allowance who are seeking employment. In all cases, the minimum age for participation in VTOS is 21 years.

Mayo, Sligo and Leitrim Education and Training Board operate nine VTOS Centres, Six in Mayo two in Sligo and one in Leitrim. These centres offer learners a range of certification opportunities, Junior Certificate, Leaving Certificate Applied and a number of QQI awards from level two to five on the national framework of qualifications.

Community Education

Community Education refers to adult education and learning, generally outside the formal education sector. It aims to empower and support communities. It is firmly community-based, with local groups taking responsibility for, and playing a key in, organising courses and deciding on programme content. The scheme enables disadvantaged adults to avail of community education at minimal or no cost.

Three Community Education Facilitators operate within Mayo, Sligo and Leitrim Education and Training Board. Applications are invited from community and voluntary groups based in Mayo, Sligo and Leitrim who wish to avail of grants under the above scheme, dates and information are available at www.mayosligoleitrim.etb.ie/community-education/

Skills for Work

Skills for Work (SFW) is a national programme aimed at providing educational training opportunities to help employees deal with the basic educational skills demands in the workplace. SFW courses may include a variety of subjects, which supports the educational needs of employees. All courses include literacy and numeracy elements integrated into a variety of subjects ranging from communications, maths, computing, reading, writing, spellings and personal development skills. The courses are designed and delivered in a flexible and adaptable way to meet, the needs of the employer and employee. Courses can be tailored to suit workplace needs. Courses are usually approximately 35 hours in duration and may lead to QQI accreditation at Level 3. Two Skills for Work Facilitators operate within Mayo, Sligo and Leitrim Education and Training Board.

Day Courses

All day courses provide fully certified, professionally delivered training programmes to increase the learner's employment prospects and/or progression to further/higher education and training opportunities. Typically programmes offered are major awards at level 3 – 6 on the National Framework of Qualifications. The Awards we deliver at Levels 5 and 6 qualify for up to 400 CAO points.

Day programmes are generally full-time courses with training taking place Monday to Friday however, some may be delivered on a part-time basis. There are no course fees and training allowances, including travel or accommodation, are payable to qualifying participants.

Traineeships

Traineeships provide job-specific training which combines direct training and a significant period of Work Based Learning (WBL) with an employer. National Career Traineeships are available across a broad range of sectors. Traineeships are full-time and all year round to facilitate those entering the workforce for the first time and for people in employment wishing to up-date or acquire new skills.

All programmes lead to QQI major awards at levels 4 to 6 on the National Framework of Qualifications. Traineeships typically take nine months.

Specific Skills Training (SST)

Specific Skills Training courses typically take six months to complete and are designed to meet the needs of industry and business across a range of sectors. Typically programmes offered are major awards at level 4 – 6 on the National Framework of Qualifications or industry Certification from a recognised external accredited body. Courses are full-time and are scheduled throughout the calendar year to facilitate those seeking employment for the first time and for persons wishing to up-date or acquire new skills to increase their future employment opportunities.

Apprenticeships

An Apprenticeship is a structured programme of Education and Training which alternates learning in the work place with learning in an education or training centre. It is a dual system, which is a blended combination of on-the-job employer-based training and off-the-job training in a training environment

Apprentices are employed by an approved employer for the duration of the programme which should be no less than two years. Apprenticeship programmes typically provide for more than 50% Workplace Based Learning.

Apprenticeships in Ireland consist of Craft Apprenticeships and a number of new Occupational Apprenticeships which are in development.

Apprenticeship is the recognised means by which people are trained to become craftspeople in Ireland. The Craft Apprenticeship system typically consists of 3 off-the-job phases and 4 on-the-job phases. Generally, the duration of an apprenticeship is 4 (four) years.

Services to Business

The Services to Business (STB) team in MSLETB are the 'Training Services' main point of contact for Employer Engagement. The 'Authorised Officers' (Training Advisors) are the only personnel in MSLETB that can register Apprentices. Employers must also be approved by an MSLETB 'Authorised Officer' (Training Advisor) before recruiting and registering an Apprentice.

For more information about Apprenticeships contact our Training Advisors (Details below) or visit www.sligotrainingcentre.ie and use the Apprenticeship tab/link

Community Training Centres

MSLETB works in partnership with the Community Training Centre Sligo (CTC) to provide community based training for early school leavers as part of the National Youthreach Programme. The CTC is an independent, community-based organisation which provides training and related supports for early school leavers primarily aged between 16 – 21 years who have left school with no formal or incomplete qualifications.

Learners in Sligo CTC have individualised learning plans and participate on programmes offering personal and social skills development through modules such as communications, personal effectiveness, teamwork, career planning and literacy and numeracy support, which are integrated with the vocational training modules. Courses are generally one year in duration, are full-time and lead to major awards on the National Framework of Qualifications at levels 3 and 4. Programmes offered in Sligo CTC include Employability Skills, Hairdressing and Pathway to Employment.

Specialist Training Programme (STP)

MSLETB Training Centres – Sligo and Ballina contract Specialist Training Providers (STPs) in Mayo Sligo and Leitrim to deliver training courses for people with disabilities who require more intensive support than would be available in a non-specialist training environment. The features of this specialist vocational training include; additional training duration; adapted equipment; transport arrangements; enhanced programme content and an increased trainer to learner ratio.

People with disabilities are encouraged to avail of and participate in a broad range of mainline training options. Examples include ICT and vocational multi-skills. Courses are generally one to two years in duration, are delivered all year round and lead to accreditation at Levels 1-6 on the National Framework of Qualifications.

Local Training Initiatives

Mayo, Sligo and Leitrim Education and Training Board in partnership with community based groups provide a range of person centred, proactive training/job related services, to assist individuals enter/re-enter the active labour market. In addition, these initiatives aim to promote the removal of barriers and provide supports, which ensure access to Programmes, Services and Employment for individuals and groups experiencing exclusion and labour market disadvantage.

Local Training Initiatives enable Mayo, Sligo and Leitrim Education and Training Board to address these objectives and at the same time provide support to Community/Voluntary Organisations to address local service and development needs. Initiatives are firmly rooted in the community and encourage people who otherwise might not avail of mainstream training to develop their existing skills and learn new skills in an environment that is tailored to their particular local needs.

Construction Skills Certification Scheme (CSCS)

The Construction Skills Certification Scheme (CSCS) provides for the training, assessment, certification and registration of non-craft operatives within the construction sector. The construction skills Certification Scheme was developed following detailed consultation with the social partners (Construction Industry Federation and ICTU), the health & Safety Authority and specialist working groups. The Consultation focused in identifying the training needs and the occupational standards required for a range of occupations in the construction sector.

The aim of the CSCS is to enable participants to apply the skills and knowledge that are associated with their occupations in the construction sector.

For more information please visit <http://www.solas.ie/Pages/CSCS.aspx>

Quarries Skills Certification Scheme (QSCS)

The Quarries Skills Certification Scheme (QSCS) provides for the training, assessment, certification and registration of non-craft operatives in quarrying. The QSCS was developed following detailed consultation with the social partners (Construction Industry Federation and ICTU), the Health & Safety Authority and specialist working groups. The consultation focused on identifying the training needs and occupational standards required for a range of occupations in Quarrying.

Workforce Development (training for people in employment)

In addition to our existing provision options, MSLETB provides training and development for those who are in employment through specific flexible Further Education and Training (FET) provision options. Many of these are tailored to meet the specific needs of employers. These interventions provide for:

- Direct Employee Access – employee direct engagement via enrolment in employee development options;
- Access via employers – employee participation as a result of their employer's participation in FET skills development.

Modular training or evening programme, at times outside the normal day provision i.e. morning, evenings, night courses or Saturdays can be provided. The location is also a consideration in terms of flexibility whether it is in an MSLETB premises or on the employer premises. There may be costs associated with this training; this will be considered on a case by case basis.

Employers please contact us directly on 071-9159500 and ask to speak to our Services to Business team.

Employees please check our website sligottrainingcentre.ie for a list of currently available course or contact our recruitment team on 071-9159514

Back To Education Initiative (B.T.E.I.)

Youth Services

Mayo, Sligo and Leitrim Education and Training Board Youth Services Support the provision, coordination, administration and assessment of youth work services in the Mayo, Sligo and Leitrim area. The service carries out quality assurance programmes with youth work services and with volunteer-led youth groups, administer funding to youth work services on behalf of various government departments and administer the Local Youth Club Grant Scheme, which provides small grants for volunteer-led youth groups. In Mayo, Sligo and Leitrim, the ETB provides support each year to over 100 volunteer-led and operated youth groups, with over 5,000 members.

Further to this MSLETB Youth Services perform the following functions:

- Provide training and development programmes for youth workers.
- Promote the integration and coordination of youth work services with other services through participation in Children and Young People's Services Committees, School Completion Programme and other networks.
- Develop youth mental health initiatives across the region to foster the mental health and wellbeing of young people.
- Report to government departments on projects and services funded through the ETB, including validating annual reports and funding applications.
- Promote initiatives that aim to increase the involvement of young people of all backgrounds in youth work.
- Contribute to the development of youth work at a national level by working with Education & Training Boards Ireland (ETBI), the Department of Children and Youth Affairs and other bodies.
